

STONY BROOK GARDEN CLUB OF PRINCETON

GROWING FUND

2021 - 2022

This year the NJ Committee requests every GCA member to donate as a sign of support for our zone. Big or small, any donation counts. This committee was founded specifically to award grants to the Zone's 12 clubs for projects that benefit our state. Through the NJ Committee, SBGC recently helped the Boys and Girls Club of NJ and the Princeton Nursery School.
